

Customer Final Walk-Through

Dear Valued TFCG Customer,

We at TFCG thank you for your business and we want to make sure you are happy with your fence installation, therefore, we provide a customer completion walk-through before accepting final payment on project.

Please inspect the fence with our Installation Project Manager, allowing us to address any concerns or issues prior to leaving your project.

Please place your initials below if statements are accurate:

_____ *The fence has been installed in the correct location.*

_____ *The fence and gates are correctly installed and meets my approval.*

_____ *Final clean up meets my expectations.*

_____ *I am satisfied with the fence installation.*

I understand by signing below, acceptance of installation is complete and any future issues that arise outside the scope of work and warranty will result in a new project job being initiated.
